

RENT A KID TO HELP EARN THEIR WAY TO THEIR AMERICAN HERITAGE TOUR!

It's easy to do and it's win/win situation! You get out of those jobs you've been putting off since the kids were in pre-school, and you help a student learn the great satisfaction that comes from earning something through hard work.

It's the American Way!

Each Week we will contact those students that are available for jobs. Contact Mr. Schlotthauer at USTRIPS@aol.com with your needs, and we'll get you together with your very own work crew. You keep track of the hours, email them to us, and we'll credit their personal account. You get the job done and they get all of the money, without even a Starbuck's deduction! Be a couch potato this weekend, rent a kid!
